Subject: Proposed Timeline for Act 236 Generic Proceeding; Docket No. 14-246-E; ALL PARTIES COPIED

Good morning,

ORS has worked with all of the parties involved in Docket No. 2014-246-E, including those with pending Petitions to Intervene before the Commission, in an effort to submit proposed dates regarding the Generic Proceeding for the Commission's consideration. Each party responded to ORS that they could work with the schedule below:

Proposed Timeline for Commission Consideration for the Net Metering Methodology Generic Proceeding

December 11, 2014 – File direct testimony for net metering methodology
January 13, 2015 – File rebuttal testimony (if needed) for net metering methodology
February 3, 2015 – Hearing on net metering methodology
February 25, 2015 – Briefs and/or proposed orders due on net metering methodology
March 15, 2015 – Order issued on net metering methodology

We hope the Commission finds the proposed schedule helpful.

ORS thanks all parties for their input, responsiveness and cooperation.

If you would let us know if this will be suitable, we would be appreciative. In addition, if you would like us to work together for another proposal, we are available.
